

R530 SERIES

Revival
BOATS

The all-new-for-2018 R530 harnesses the soft-riding R525 lower hull and grafts on a new fuller top deck and cab that offers a bit more volume and depth than the R525.

Comfortably powered with outboards in the 75 – 115HP range, the R530 offers a revised helm to accommodate larger format electronics while retaining a commanding view.

Length	Beam	Max Power	Tow Weight	People	Fuel
5.30m	2.20m	115hp	1325kg	6	100lt

R530 SportZ

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival's R530 SportZ hits the water with all the essentials and many so called 'extras' that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

R530 OffShore

Revival's R530 OffShore spices up the SportZ's already impressive inventory with fishing-focussed inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready?

R530 WeekEnder

Revival's R530 WeekEnder is influenced by luxury caravans and campers offering versatile and easily-adaptable features to enhance your time afloat.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, toilets, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.
